## Facts about us

- Marriott Harrison is an independent corporate law firm established in 1985
- London based with international capability
- 19 partners and 17 other lawyers
- All partners have many years' experience at major City or large National practices, with well qualified and experienced assistant solicitors
- Focussed on corporate, media and technology, restructuring and recovery, employment, litigation and property
- Clients include national and international companies, private equity houses, banks and other financial institutions, management teams and high net worth individuals

## Our approach

- Culture of long term relationships
- Partner led service delivered by a high quality team
- An integral part of your team, not just your legal adviser
- Proactive, practical, no-nonsense and commercial approach
- Standard key documentation tailored to suit your transactions
- Transparency on fees and premium services at attractive rates which other City firms are often unable to match

## International strategy

- We act for both UK and international clients doing business around the world
- Preferred firm relationships with selected law firms outside the UK
- No 'one-size fits all' approach - not limited by international office alliances or networks
- Firms chosen to suit the client and the task in hand
- Managing and co-ordinating major international projects involving professional advisers across several jurisdictions whether we are handling all or part of the matter

## What others say...

PLUS+ Awards 2010  
PLUS legal adviser of the year

*"Readily available and utterly reliable"*

*"An intuitive understanding of the client's key concerns"*

*"The corporate team is large enough to have an experienced team but small enough to ensure you get the attention to detail from partners, which you don't seem to get at bigger firms"*

*Chambers and Partners 2009*

ACQGLOBAL  
AWARDS2009

*Small Private Equity Law Firm of the Year - UK*

*"Marriott Harrison's expanding media team, which provides 'attentive service' and 'good continuity'. It handles music catalogue and video work, and represents record labels, including Snapper, and new artists and bands, notably Funeral for a Friend. Film and TV work includes advising on production and gap funding for independent films "*
